## SHERIFF EWING HAS NOT A SINGLE CLEW

Bronaugh Bank Robbers Escape-Thought to Be Members of the Dalton Gang.

REPUBLIC SPECIAL Nevada, Mo., Oct. 24. Sheriff Ewing has eturned from his pursuit of the Brenaugh bank robbers without having been able to 2007 Lucas avenue, obtain a single clew as to their identity or the course they took. They faded away like mist, leaving no trail whatever.

It is now thought that not less than seven men were engaged in the job. The Sheriff made a close inspection of the wrecked bank vault. Speaking of this, he said: "We fished out \$105. In the lot were one \$30, and \$10 and two \$5 gold coins, and one \$19 bill, which had been blown entirely out of the vault. The rest was in quarters, dimes and nickels. As there was only \$50 in gold in the valit, the robbers secured but 16 of that precious metal. We found a lot home, at No. II of charred fragments of bills, which looked Franklin School. like a rat's nest, but just how much money they represented we could not tell. The roblers, therefore, must have gotten less than \$1,625, the amount in the safe when they got into it. I have but little to go on in the way of a clew, but I shall spare neither time nor expense in running these

men down."

The Vernon County Court met to-day and offered \$250 reward for the capture and conviction of the robbers. It is generally belleved to have been the work of amateurs, some are of the opinion that it was ork of a remnant of the noted Patton gang, a younger brother of the Dultons having been arrested at Fort Scott, only having been arrested at Fort Scott, only a short distance from Bromaugh, on a charge of horse stealing, but turned loose the Wednesday before the robbery.

The body of the murdered Constable, William Moran wit be buried to morrow by the Modern Woodmen, of which order he was a member. The dead officer was about 44 years old. He leaves a widow, a 15-year-old daughter ard an infant son. He was highly esteemed and had lived in Bronaugh about two years, where he conducted a hotel.

WILL SERVE HIS SENTENCE. Court of Last Resort Finds Banker

Dreyer Guilty. Springfield, Ill., Oct, 20.—The Supreme Court to-day handed down a decision sustaining the lower court in the finding of former E. S. Dreyer of Chicago guilty of withholding from his successor in office

\$319.009 of West Park Board funds.

The opinion was written by Justice Wilkin and concurred in by all except Justices The Roggs and Cartwright. Upon the objection that the defendant was once tried on the same charge and the jury arbitrarily discharged, when about to acquit the defendant, the court rules there was reason for the discharge of the jury because it had failed to agree after more than sixteen hours' deliberation. The decision sets forth that it is the course of opinion of practically all the courts of last resort throughout the United States that the discharge of a jury constitutes no bar to further proceedings and gives no right of current upon trial. The court rules albuptly upon the question of admission and exclusion of evidence objected to and says, after a lengthy review, it is not an error to exclude evidence concerning which exceptions were taken Other objections are dismissed as showing absolutely no ground for error.

This opinion being final Dreyer will serve his sentence in the penitentiary. that the defendant was once tried on the

## **NEW ELECTION LAW.** Legislature Passed the Nonparti-

san Bill Almost Unanimously -Governor Will Sign. Frankfort, Ky., Oct. 29 .- The two houses

of the Legislature this afternoon passed the nonpartisan election law agreed upon by the Conference Committee. There is no doubt that Governor Beckham will sign it. The Democrate of the House this morning held a caucus and indorsed it as a party measure. The vote in the caucus was close, but when it was put on its passage in the house it received a unanimous vote. In the Senate four Democratic Senators voted against it, and Senator Dye, Republican, in explaining his vote, said he did not approve the measure, but thought it an improvement over the Goebel law.

Following out the nonpartisan spirit of the new law, the Speaker called a joint session of the two houses for Monday for the purpose of filling a vacancy on the State Election Committee. The House adopted a resolution that the Republicans be allowed to name the Commissioner, and they will present the name of Judge A. M. J. Cochran of Maysville, who will be unanimously

any emergency clause and will not go into effect for ninety days. The main features of the new law are as follows: A State Board of Election Commissioners

Topeka, Kar., Oct. 20.—Suit was filed in the United States Circuit Court this morning at Just the Western Union Telegraph Comp. by for \$8.100 damages alleged to be due the plaintiff on account of the failure to properly transmit a message.

The suit is entitled D. P. Ealley and Fannle H. Agnew vs. The Western Union Telegraph Company. Mr. Bailey is a resident of Dresden, Kas., and Mrs. Agnew is a resident of Denver, Colo. The plaintiffs claim that on November 25 1898, Mr. Bailey sent a dispatch from Dresden to Mrs. S. B. Agnew in Denver, which was as follows:

"How about that Phillipsburg deal? Must go there to-night. Answer."

In transmitting the message the agent of the company got the name changed and the message was received in Denver addressed to Mrs. S. R. Bailey. It happened that Mrs. Bailey was in Denver at a hospital and the message was delivered to her. Mrs. Agnew did not get it and so did not
